EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

General

The notes on the following pages give an explanation of the proposed resolutions. Resolutions 1 to 5 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolution 6 is proposed as a special resolution. This means that for this resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual report and accounts

The directors must lay the Company's accounts, the directors' report and the auditor's report before the shareholders in a general meeting. A copy of those accounts and reports are enclosed with this document and are also available on the Company's website at www.cssgplc.com/investors/.

Resolutions 2 and 3 – Re-appointment and remuneration of the auditor

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the shareholders, to hold office until the end of the next such meeting. Resolution 2 proposes the re-appointment of Grant Thornton UK LLP as the Company's auditor. Resolution 3 seeks authority for the directors to decide the auditor's remuneration.

Resolution 4 – Re-election of directors

The Company's articles of association require that one third of the directors must retire by rotation at each annual general meeting. Under the articles of association, the chief executive for the time being of the Company is not required to retire by rotation and is not taken into account for the purposes of determining the number of directors who are subject to retirement by rotation. Accordingly, Lord James William Eustace Percy is required to retire this year. Being eligible, he offers himself for re-election.

Resolution 5 – Renewal of authority to allot shares

The purpose of this resolution is to confer upon the directors the power to allot shares. Section 551 of the Companies Act 2006 provides that the directors may not allot new shares (other than pursuant to employee share schemes) without shareholder approval. The directors were granted authority at the last AGM to allot shares up to a maximum nominal amount of £247,769, which represented approximately 33 per cent. of the Company's issued ordinary share capital at the time of notice of last year's AGM.

The resolution proposes that a reduced authority be granted in substitution for the existing authority to allot securities up to a maximum amount of £247,769, representing approximately 33 per cent. of the Company's issued Ordinary Share capital as at 3 November 2015, being the latest possible date prior to publication of this notice. In addition (and as was the case at last year's annual general meeting), following guidance issued by the ABI in December 2008, the Company is seeking additional authority to allot securities in connection with a fully pre-emptive rights issue up to a maximum amount of £247,769, representing approximately 33 per cent. of the Company's issued Ordinary Share capital as at 3 November 2015, being the latest practicable date prior to publication of this document. The benefit to the Company of obtaining such authority on an annual basis is that it would allow the Company to implement a rights issue of an amount equal to two thirds of the issued Ordinary Share capital without the need to call an additional general meeting. This would shorten the implementation timetable of such a rights issue.

The directors have no present intention of exercising this authority. The authority will expire at the conclusion of the next annual general meeting or, if earlier, on 31 December 2016, unless previously cancelled or varied by the Company in general meeting. It is the intention of the directors to renew this authority annually at each annual general meeting.

As at 3 November 2015, the Company did not hold any shares in treasury.

Resolution 6 – Disapplication of pre-emption rights

Section 561(1) of the Companies Act 2006 provides that if the directors wish to allot any equity securities, or sell any treasury shares (if it holds any), for cash, the Company must first offer them to existing shareholders in proportion to their existing shareholdings. Section 561 does not apply in connection with allotments made pursuant to an employee share scheme.

The purpose of this resolution is to allow the directors to allot shares for cash as if section 561(1) of the Companies Act 2006 did not apply, in connection with rights issues, open offers and other pre-emptive offers pursuant to the authority to allot shares granted by resolution 5, and otherwise up to a total amount of £148,661, representing approximately 20 per cent. of the Company's issued Ordinary Share capital as at 3 November 2015, being the latest practicable date prior to publication of this document. As regards this latter power to allot equity securities on a non pre-emptive basis, shareholders should note that the directors were granted authority at the last AGM to allot equity securities on a non pre-emptive basis up to a maximum amount of £111,496 (which represented approximately 15 per cent. of the Company's issued ordinary share capital at the time of notice of last year's AGM). If passed, this resolution will be in substitution for that existing power.

The power conferred by this resolution will expire at the conclusion of the next annual general meeting or, if earlier, on 31 December 2016, unless previously cancelled or varied by the Company in general meeting. It is the intention of the directors to renew this power annually at each annual general meeting.

SHAREHOLDER NOTES

Appointment of proxy

Any shareholder who is entitled to attend and vote at the AGM is entitled to appoint one or more proxies (who need not be shareholders) to attend the AGM and speak and vote instead of the shareholder. If more than one proxy is appointed each proxy must be appointed to exercise rights attached to different shares. A shareholder wishing to appoint multiple proxies should contact the Shareholder Helpline on 0121 585 1131 to obtain additional proxy forms. Alternatively, you may wish to photocopy your proxy form. It will be necessary for the shareholder to indicate on each separate proxy form the number of shares in relation to which each proxy is authorised to act.

Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.

To be entitled to attend and vote at the meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 6 p.m. on 1 December 2015 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting).
